

Temple Beth Sholom Sisterhood

Constantly running? Need a moment to breathe?

Then join TBS Sisterhood. Getting involved in Sisterhood provides you with the opportunity to step back, take a breath, and focus on important things in life: your family, your friends, and *Tikkun Olam*, making the world a better place.

What can Sisterhood do for me?

Sisterhood provides you with so many opportunities:

- ✧ Connect with your congregation by making friendships that last a lifetime.
- ✧ Participate in activities that bring your family closer together.
- ✧ Make a difference in the world around you.
- ✧ Have fun!

Wait a minute! Isn't Sisterhood just for my mom?

Absolutely not! TBS Sisterhood has women in all walks of life and in all stages of life who join together to make a difference in our homes, our congregations, and our community. What does this mean? It means there's something for everyone. The best way to make an organization meet your needs is to get involved and make it your own.
